Environmental Policy

Lucent Lighting seeks excellence in every aspect of our business and is committed to minimising the environmental impacts of our business operations.

We are committed to:

- Continuously improve our environmental management system to enhance our environmental performance.
- To integrate recognised environmental management best practice into our business operations.
- Reduce our consumption of resources and improve the efficient use of those resources.
- Manage waste generated from our business operations incorporating reduction, re-use and recycling in accordance with the principles of the waste hierarchy.
- Manage our business operations to protect the environment and prevent pollution.
- Give due consideration to environmental issues and energy performance in the acquisition, design, refurbishment, location and use of buildings.
- Ensure environmental criteria are taken into account in the design and procurement of goods and services.
- Complying as a minimum with all relevant environmental legislation as well as other environmental requirements to which the firm subscribes.
- Monitoring the amount of electrical equipment we place on the market and ensuring provision is made for its effective recovery
- Adhere to the requirements of the ISO 14001 standard through implementation of procedures and rigorous monitoring and review.

To meet our commitments, we will:

- Provide UK board oversight and review of environmental policies and performance and allocate resources for their effective direction and implementation.
- Set, monitor and review key objectives and targets for managing our environmental performance at least annually.

- Engage with stakeholders, including communicating internally and externally our environmental policy
- Communicate the importance of environmental issues & practice internally
- Work together with our employees, clients, suppliers and landlords to promote improved environmental performance.
- Promote appropriate consideration of sustainability and environmental issues in the services we provide to our clients.
- Review our environmental policy at a minimum annually

This environmental policy represents our general position on environmental issues, and the policies and practices we will apply in conducting our business.
